THE AIMS OF THORLEY TREE TOTS

The aim of Thorley Tree Tots is :

- To help children to familiarise themselves with the setting and staff alongside their parent before starting Pre-School
- To build relationships between staff and parents and between groups of parents
- To encourage and build on interactions between parent and child in a learning environment
- To develop interactive play between parent and child

We will provide:

- The time, environment and toys to stimulate your child's imagination, social skills and development in conjunction with parent/carers
- An insight into what children learn and play with at Pre-School
- Lots of equipment and a focussed area each week with information for parents on the benefits of different aspects of play
- Home learning bags
